

ROW ON A FARM NEAR MENDON RESULTS IN MAN BEING KILLED

Three Rivers, Mich., March 31.—Richard Chaney was shot in the back of the head Thursday afternoon by Frank Manley near Mendon, this county, following a quarrel over a wagon.

Richard R. and James Chaney went to the Manley farm where Richard Chaney and Manley owned a wagon in partnership. The Chaney brothers hitched a team to the wagon to take it from the farm when Manley ordered them to leave it there and get off the premises. Hot words followed. Manley stepped into the house and returning with a shotgun, shot at Richard Chaney, who received the charge in the base of the skull. He died before he could be taken to Mendon.

Manley was arrested by Sheriff Cup. Manley says that one of the brothers had a hatchet and the other a knife and that he believed they intended injuring him.

Manley is said to have been a policeman in Toledo, Ohio, at one time.
